

February 2012

Dear St. Anthony School Family,

Planning is under way for our school's most exciting and beneficial evening of the year! I am grateful for the support we continue to receive from the community to improve our school and hope you will join us once again in supporting our largest fundraiser, Noche de Fiesta "Casino Night" on Friday, April 20, 2012. This fun-filled evening will include great music, casino gaming, delicious food and lively auctions.

St. Anthony Catholic School is committed to academic excellence in a Christian setting; your generosity helps ensure we are meeting this commitment to our students. There are so many facility and technological needs of the school that Father Larry and I, along with staff and parents, want and need to address. The funds from our Casino Night will be utilized to begin addressing these needs. All funds raised at this year's "Casino Night" will first be used to completely renovate the Montessori lavatory facilities with heating and cooling and renovate the welcome patio lavatory facilities. Our next goal is to transform every classroom into a 21st century learning facility that includes updated computers, computer projectors and screens, interactive software, and E-books; and then begin addressing door entrance security systems and other minor renovations to help improve the building and grounds.

Your support of Casino Night will make a positive impact on the lives of our students by helping us fund and complete these projects. Please review the enclosed materials and consider offering your support to this year's Casino Night and St. Anthony Catholic School.

Together we can accomplish our goals!

Yours in Christ,

Chester Arizmendi
Principal
